Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 28 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A sunny start, turning wetter and cloudier by the afternoon.

Today:
Sunny spells to start, before a band of cloud and rain arrives from the west for the afternoon. Rain will be heavy at times and accompanied by a gusty wind. Maximum temperature 17 deg C (63 deg F).

Tonight:
Rain clearing through the evening, and winds easing, to leave a largely dry night with clear spells but the chance for a few showers, mainly in the north. Minimum temperature 6 deg C (43 deg F).

Wednesday:
A mixture of sunny spells and scattered showers on Wednesday. Showers becoming fewer and further between for the afternoon. Feeling cool. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
Staying changeable through the outlook with spells of rain and strong winds interspersed with sunny spells and scattered showers.
